Il nuovo progetto ceramico di Unicomstarker si ispira al marmo travertino taglio cross-cut, caratterizzato da superfici nuvolate, dalla texture porosa e irregolare, che conferiscono un aspetto rustico e naturale.

Tre nuance delicate rispondono a diverse esigenze offrendo una base neutra che permette di giocare con arredi e colori per molteplici possibilità di stili, permettendo di creare ambienti caldi e accoglienti senza mai rinunciare al gusto e all'eleganza.

Unicomstarker's latest ceramic project draws inspiration from cross-cut travertine marble, distinguished by its clouded surfaces and porous, irregular texture that lend a rustic, natural charm. Available in three subtle shades, this collection caters to diverse design needs, providing a neutral base that invites creative interplay with furnishings and colours, offering multiple style possibilities. This versatility enables the creation of warm and inviting spaces while maintaining an air of sophistication and elegance.
